The Wink MARK3 7-Day / 50-Mile Money-Back Guarantee

Buy your Wink online and have it delivered to your home. Drive it for up to 7 days or 50 miles, whichever comes first. Not satisfied? Send it back!

We'll arrange return shipping to New Jersey. Once your Wink arrives at our facility and passes inspection, we'll refund your full vehicle purchase price.

You are responsible for delivery and return shipping costs, provided the vehicle is returned in good condition.

Return Requirements

- The 7-day period and 50-mile limit begin when you receive the vehicle, as documented by the bill of lading.
- Until the carrier picks it up, you must properly secure, care for, and store the vehicle.
- The vehicle must be charged to at least 80% when it is picked up for return.
- Before pickup, photograph the odometer showing the vehicle's actual total mileage, not the trip mileage. The carrier must photograph the same odometer reading at pickup.

Purchase and Registration Requirements

- Before shipment, you must obtain vehicle insurance and provide proof of coverage.
- You'll work with our registration company, FRS Dealer Solutions, to meet legally required insurance, sales tax, and registration requirements.
- You'll provide a credit card to cover applicable sales tax and registration fees when due.
- If you keep your Wink, you'll maintain the required insurance and complete the registration process.

It's that simple. Buy it. Drive it. Love it—or return it!
